Re: Letter of Recommendation

Dear Mike:

Please feel free to give out my name and phone number as a reference for Professional Mechanical Contractors, Inc. I appreciate your willingness to actively solve coordination problems and bring them up in advance of them becoming delay issues. I have found your change orders to be reasonable and well backed up. Your field personnel have been courteous team players. Your back office was prompt and responsive. Billing and processing paperwork went smoothly.

I would not hesitate to use Professional Mechanical Contractors, Inc. again or recommend them as a mechanical subcontractor.

Sincerely,
Dreyfuss Construction
