RE: Letter of Recommendation

To Whom It May Concern,

I am pleased to provide a letter of recommendation for Professional Mechanical Contractors, Inc. (PMCI). PMCI has completed two of our current condominium projects (21-Unit in Hancock Park & 8-Unit West Hollywood) and has been awarded a third condominium project (42-Unit in Hollywood). Previously, PMCI has completed several condominium & apartment projects ranging from over the greater Los Angeles area totaling over 600 units. During this time, they have provided immense value to each project with their extensive knowledge of the industry, quality of workmanship, efficiency, and competitive pricing.

We have also found PMCI to be highly professional, responsive and cooperative throughout this period. Therefore, I would be happy to refer them for any future projects.

I would be glad to provide further information if you wish to contact me.

Sincerely,

Juan Paredes
Vice President
